NIKKEN Innovation Centre Europe (NICe) is easily accessible from Junction 33 of the M1 Motorway. Leave the motorway at Junction 33 and follow the signs for Sheffield (A630), leave the dual carriageway (locally known as the Sheffield Parkway) at the first junction towards the Advanced Manufacturing Park and take the first exit on the roundabout at the end of the slip road. With Boundary Mills on your left hand side, take the third exit on the roundabout, entering the Advanced Manufacturing Park. At the next roundabout take the second exit and follow the road up the hill, with the Knowledge Transfer Centre on your right and Rolls Royce on your left. NIKKEN Innovation Centre Europe is located at the top of the hill on your right hand side.

Engineering our future
